The Colour of Desire

Amie Hayasaka

Original Text by Emma Darcy

London, West End

What am I going to do?

Well, let's move to the stage.

And what about Mr. Libbey's song will she be singing?

There's a way!

Everyone is already here.

Mr. Libbey has gathered the audience so here before the audience performance for this audience.

That's right!

Mr. Libbey is not going to like that.

Mr. Libbey will not be singing Morgan Libbey's song.

I have no intention of trying to "please" one of my students.

If Morgan Libbey is such a boring man, then there isn't any point in embarrassing at all!

I don't want you to
show your way of
doing things
as an act, and
I don't want your
modern forced
on my culture!

Are you
that afraid
of fat?

You think
you can keep
me off?

The audience
looked
speechless
listening
to her
performance.

Audience's
reaction
was
overwhelmingly
good.

Did you have
any trouble while
watching in the
glamorous celebrity
world?
In my situation,
you should
know for
sure it
wasn't optional.

Then
you would be
able to purchase
your audience
in a way they
have never
been purchased
before.

You will
want a copy
for your
own record.

Have any more
modern equipment?

Maybe, you had
so much passion,
but you chose
the lowest fee
modern means.

You're
wasting your
talent on
this cheap job.

You're only
21. There is
still time!

But it's not
talent or
change that

I'll give you
a cheque for £1000,
which you can use
for the modern
means room.

Thank God,
please don't be
retarded.

I don't want the responsibility of raising a nobody who has no idea about the musical industry!

There isn't a big market for her. I don't want to disappoint you, but that's life.

Please don't humiliate me any further.

I have no intention of bringing a singer who only carries the reputation of a few able musical critics.

Do you want me to insult her even more...

...until you understand?

Dear please.

You're right.

I'm sorry to have taken up your valuable time. We'll be going now, Mr. Livelihood.

It was just a decision, anyway.

Listen, listen. Her voice was not bad but it's a voice suited for classical styles.

I made my own way in this world.

I don't need your approval as the director.

She won't stand out in stage and she doesn't have it with my look.

She will never be a star.

Even so, sorry, you need more than a good voice to become a star.

She even turned awkwardly and it was unpleasant at all.

A musical as particular has no place for her.

Maybe come to see the director.

This is Thomas, Susan!

Are you're saying you're going to do nothing to help her promote the extraordinary talent?

Today is probably the best time we'll see each other again.

I never thought a little boy like the only thing I saw in those words of hope all around blessing toward me.

L

Morgan
knows you
have im-
portant
values.

He is going
to take care
of you, in a
way you will
not find here
when he gets
younger.

If only he had
the funds, he
could have
been around
cheerfully.

Morgan
was a
really
talented
student.

But he was an
orphan and so
wasn't possible.

Morgan!

As long as
I am with
him!

Remember me
please, even only
think about
becoming a
nurse.

Kathryn, you remind
me of what Morgan was
like before. When he was
still nervous.

Morgan University's House

I can't believe I
will be Morgan
University's
house!

She was
acting just
fine.

The calculation
every action
before
she does it.

Crying is
not of those
athletes.

Full of life
and moving
around with
energy as
if she's
never tired.

There are very
few actors
that come
a little among
the audience
just by
putting more
like magic.

You should
be your best
or the most
will be
impossible.

Black Magic
is known as a
Indian's man.

Are you
happy?

I was
amazed
by your
prince charm.

And
I'm not

I'm just
a burden
on you.

Whatever
you want.

I will only
say that you
have the
same chance
as any of the
other actors.

I was
nearly made
promises.

You Try not
to get into
my

Don't

I'll be
the best for
your next work
too, right?

If you write me
a goodbye,
I'll say a better
than I have
ever done before.

And it'll be
a happy.

I can't even stay standing for more than 3 hours.

I... cannot dance.

Um...
No, definitely.
Call me Morgan.
What will?

I want to be serious.
Back my thighs were crushed.

You had no experience but my legs were still more real.

What?

I'll wait a long for you.

But I'll accept Scott Carly's challenge.

You didn't promise my voice yesterday.

It's just the type of voice I have worked with before.

I don't remember her saying it was bad, either.

Eligible movement will be impossible for a character like yours.

Anyway, we should start by doing something about the way you walk.

You have to start changing before immediately.

Scott Carly hasn't told me about my legs.

An impossible task!

End the
story
here?

My
parents
died on
the same
date.

4 years
ago.

An
accident!

Or
maybe.

She looked
after me while
I was recovering
in the hospital.

Don't

10

I cannot
look at
you.

I'll find
a way?

Seal's
Title.

I've come to
get Mom
Manservant.

That
would

I have
there was
a code!

She
tricked
me?

Not all the
freedom was a
mile of love. I can
stand and walk now.

Flash

I didn't
mean to
deserve you.

There is no
need for you
to keep your
promise.

...I'll leave
in the
morning.

I have done
across the
world have
a look at them
for you.

There have been
a lot of sad
moments
in the past
few years.
But I can
move on to
live.

I've had
special
feelings, too.

If you are my love,
you'll see
what I have been
living with.

...Be
what you
like.

Don't ever
say you will
leave again!

You just
stay here
and watch
your wings!

I will
definitely write
a song suitable
for you!

I will give you
as many
chances as
I can.

If I can't make
your dream
come true, you
have to do it
yourself!

Wings!

He remembers
what it was
like to have a
dream.

She was
right.

"He is going
to take care
of you, so a
way we can
do this here
where he was
young!"

Remember,
step 1.

I will
leave...

But...

I am not so
heartless that
I would deny
you a dream
that you fought
so hard for.

That is
your dream
now.

Let me
look after
these things.

I will find
a good doctor
who can
save you!

That's
what...

Do you
think
I am being
useful?

Even today
here.

I am of
no use to
you.

Then we'll
move on to
Madden and
Schubert.

We can
decide the lesson
schedule later,
but come in on
Monday at 10 a.m.
to start with.

Alright.
We'll start
lessons
next week.

We'll see if
you can stay
that's strange.

You do have a
lot of potential.

I see

My legs
hurt

Thank you!

Oh,
Madden.

It takes a while
you until you
reach the
heights of
your career.

Your former
teacher must
have been a
wonderful
person.

And I am
impressed by
you,
Mr. Schwartz.

I would like to
introduce Miss
Macnamara's
lessons.

I didn't realize
you were
interested in
classical music.

Yes

You will
need a lot of
training
though.

By the way
do you know
Hugo Hall?

While Morgan was writing his new song, he stayed curled up in the music room and did not let anyone in.

Quint
Hunt

He was creating a song that would describe the tragic story of the beautiful and pure Lavinia Doone.

Well, we'll discuss that when it comes to it.

If your notes were not good enough, the problem with your legs would make no difference.

The young Lavinia finds it difficult to fit into her outfit and looks terribly

This is Lavinia Doone, actually, the beautiful daughter of the royal family, sister to the Doone family who will not let anyone

The last to the family, Lavinia Doone, the beautiful daughter of the royal family, sister to the Doone family who will not let anyone

Once a week, you'll be attending language classes after the lesson.

There is the lesson tomorrow.

Express the emotion in the song.

Concentrate on the word.

You need your accent to be accurate to any of the major European's songs.

Master Lavinia will teach you French, German and Italian.

Otherwise, you will learn Spanish and Italian.

Yes, Madam.

I need to talk to you about my legs.

Morgan will have to pay more money.

Language is a skill that you cannot learn without.

Master Lavinia Doone and her young assistant John Doone meet at the estate's birthday party and fit in here.

When I listen
with the
stage songs, I
can see what
Morgan was
trying to
achieve

Actually I have
never heard
any of Morgan's
music

The meaning and
mood behind the
lyrics is beautifully
expressed

John Reed comes to
Morgan's home, but she
is killed by Carver
John murders
Carver

The only way
to survive
Morgan's
world

John and his
friends the
Morgan family
are the only
ones who can
survive in this
world

But the old
Carver went wild
and began to
kill everyone
who was not
his own

Don't Bother!

Morgan...

If you really want to hear my music, please, come back next time.

I know you look down on this kind of music!

What are you here to do for me?

What were you thinking, listening to this music?

Don't

Early
Inspiration
in 5
years.

It's light,
simple,
cheap, like
music.

I
write
music!

...and what kind of music you write...

...and...

Laramie

Believe it or not!

Please leave.

Leave right now!

I shouldn't have brought you here.

There are no minutes.

Cryer?

Laramie

I wouldn't want to be Cryer.

I don't want to get you involved.

A Morgan letter about this?

Thank you, Cryer. Please make me, which I cannot share out.

But I can't do it.

The song where Laramie and John Ford fall in love.

Very romantic Laramie's song.

I need to make it and make a song!

To overcome the Cryer made me, I need to have something that I cannot have.

You want
the
best?

Then take
me!

You don't know what
you're saying!

What?

I wouldn't
stop thinking
about you.

But...

I can't
stop now.

What are
you
saying...

Are you
saying I am
less of a
woman?

Remember,
there was
reason why
I can't leave
you.

I know that
you have never
been with
a man before.

I can't
believe
I am
saying this.

Thank
you, and!

Are you
regretting
it?

No

Are you
regretting
this,
Kathleen?

How concerned
about my legs
that it all had

I will
always be
your
Morgan.

If you
decide you don't
want me
anymore, that
would be fine
with me.

I can't
forget
all you
did.

You're
so close
to me.

If I have not
disappointed
you, then I am
happy now.

Not
at all.

My
Lorna

Does Morgan only need me to
complete his song?
I want him to tell me his feelings
and the truth about
I want him to tell me the truth

But I still love him
I would do anything
for him

A sudden
song
for me.
There are
Lorna's songs.
There are
I all there.

Morgan
continued to
write songs for
Lorna. Dooms is
suffering

By your
representation

Oh,
in
that hand

No wonder
but what
that is one before

They have
until the
morning

My Lorna

Lorne's hair is my hair

I know there would be a Lorne inside you.

But you expressed her even better than I expected.

She wishes to be free of his collar

The confused Lorne watches as her son, surrounded by all and family.

The opening will be a glowing party attended by all of the characters.

What a beautiful melody!

I'll play it soon. There are you may along to it!

Have you
not got
anything
to say?

In
Kashimura?

So he'll marry
for publicity

Maybe this
fake marriage
will become
real and he
might love
me one day

But

It's because
he wants to
spend the
rest of his life
with me

Not because
he loves me

We'll make you into a
superbion woman,
so people will start
whispering, "Who is
the Kashimura
Pharmacy?"

It's going
to be
amazing!

I don't know...
Marriage?
I can't
believe it.

A couple
ye-high-
quoting
down on
a flower
cage
couldn't
you hear

It'll be
great
Pure and
get a
beautiful
down for
you

You are
going to be
my wife

What?

The press
would
love it

Our marriage
will be chosen
as the wedding
of the year!

Love these
are my
wishes
father!

A new
glittered
married
Black Morgan!

What is
he saying?

Morgan,
did you
just say...
wife!

No, she can't.

What is important for some is that people can hear you sing.

So we can practice for three or 2 months.

Strong reputation, don't you believe?

If she were she'd get the wrong reputation.

No, Libby, you promised not to intervene.

She wants to sing, Watson.

It will be the finishing point of her career.

No, you're wrong.

You think Kathleen would be able to win the competition. That's why you entered her, am I right?

But I don't want her to win.

I think she would win, am I right?

She doesn't have the early requirements, but I put in a word for you, so you'll be able to perform.

There will be a European tour, don't you promise to have a 2 months' tour.

Don't wait to show you off to the world.

My love.

You want to run Kaidora, don't you?

Well, here we authors in the background to achieve the maximum effect.

Kaidora is going to deliver words my words.

This work is completely different. It's quality and style is my previous work.

So you want to bring down culture to the level of the general public?

No, writer like Kaidora wants to introduce your music to the general masses.

I will make her succeed.

That's what we like doing from now on.

without the general public. Kaidora, culture will come to exist.

No, you make it on your own.

Let's go, Kaidora.

I want for this happen in this important time.

The only that people will think she is one of those women that disappears the world thanks to the public.

If the heroine leaves home, she will be labeled as the type of singer the ordinary public will not be interested in.

The biggest piece of work of my life depends on her, too.

Kaidora's career depends on this music event.

What's the "important time" you speak of the character?

Morgan, please.

Do not underestimate me, Morgan!

The biggest piece of your life!

That's how coming from a skilled popular song writer.

You won't do it, will you, Kaidora?

Even the
damage it
did to his
hair.

When I told himself
it was people's choice
he doesn't think of me as
another human being
but as one of his
possessions.

I don't think I
can stay with
him any longer.

But when I
think of him
I think of
him as my
possessions.
I don't think I
can stay with
him any longer.

If Morgan really loved
me, I was willing to do
anything for him.
But that was all an
illusion.

If I stay with him
any longer, the
price I have to
pay will be too
much.

You can
try
anything
you want
with
my credit
card.

Think
I'll be
on my
back
again
for you.

Are you
happy
now?

Frank's
fun to
have in

Just
take this.

That's not
what I was
saying.

I am not
asking for
money!

I want a
performance
fee!

Thank
you.

He doesn't
understand.

He will never understand!
What I want from you is
not money.

is Capital
Capital

You
liar!

You can't expect
me to understand
and keep quiet!

You promised
to give me
the lead role,
but you're
going to let
someone else!

I heard
from
the stage
manager

I don't know what the stage
manager told you, but I plan
to take you to the lead role for
my new stage production,
Gerald.

No long as
there will be
another lead
role for
the man,
then I am
happy.

Yes

Oh

Really?

He will
try to push
his wishes on
to me.

Myra
doesn't want
me to perform
rehearsed
parts.

My-J

So I
cannot
stay here
anymore.

Everyone
follows what
I think is
right for me.

I'll be
your
by 10.

Can you hurry
Gerald here to
the car before I tell
him I am leaving? He I
can leave immediately.

Your car is
not from.

Thank you
for your
kindness,
Toby.

I
understand.

But it's
such a
charm.

Thank you,
Madame
DeLorge.

I think
you should
stay at the
villa until
I think it's
safe.

Oh, not
forget to
prepare.

Oh sorry, Madame.
I've caused you so
much trouble.

The next day
Madame went
back to
London.

and indeed
we have used
it ever
since you
were not
there.

Apparently
Mr. DeLorge
and some
other women
were in
my house.

I think we
left London
at just the
right time.

Figure you
everything I
lost Morgan.

What more
do you need
to make from
now for you
to be happy?

There is
no world as
a life with-
out you.

Morgan

It's a shame

We got married!
